MEMORANDUM FOR: Chief, Headquarters Security Branch

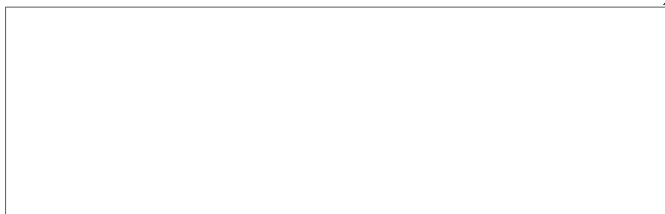

FROM:

Chief, Administrative Staff, ICS

SUBJECT: Letter of Appreciation - HSB, Identification Section

On behalf of the D/ICS and the Administrative Staff, I would like to express my appreciation for the excellent services provided to the ICS by the HSB, Identification Section. Given the bureaucracies with which we must contend, their continuous immediate courteous response to all requests, many of which are last minute requirements, is at times amazing. Despite the Agency's rebadging program and the daily badge requirements, the section has never refused any requests and has even provided additional services which, in all candor, it could have refused or at least delayed.

and the remainder of the Identification Section are to be commended for their sense of service and the positive image the section projects on behalf of the Office of Security.
